

Harvest Christian Preschool

2 Now Enrolling year olds

We are accepting new enrollment for the two year olds in the Room 2 Ladybugs class.

This class is a foundations class introducing the alphabet, and numbers through circle time.

We work with children on potty training, and self help skills.

Your child will build self confidence through games, songs, art, and performing arts. We encourage socialization through making friends, and teaching sharing. The preschool is open year round and open from 6:30am to 6pm.

Please call to set up a tour or for more information at (510) 713-8748. Find us on the web or on facebook.
